Within the Action Items for this week, you can download the new toolkit to support Judge Kavanaugh. There are several action items included in the toolkit, which you can do at your convenience over the next two weeks. Included in the toolkit, you will find sample social media, ideas for writing a letter to the editor, and suggestions for contacting your two U.S. Senators.

If you have been shadow banned or discriminated in any way on Twitter, please pass it on to me (teri@ec9.us) and I will pass it on to Jenny Beth who has been successful in getting the issues resolved directly with Twitter.
