

Tea Party Patriot National Call of September 30, 2018

Welcome to the Tea Party Patriots Weekly National Leadership Call Report. Glad you checked in to see what going on.

Guest Jay DeLancy of the Voter integrity Project of NC. Mo Brooks' legal counsel under Marshall Yates sent out via email on 9/26/18 a letter to AG Sessions asking that he make voter fraud a top priority especially in sanctuary cities. Brooks/Yates is asking for congressman to co-sign the letter to AG. The Left in congress is trying to get Higdon fired saying he is a voter suppressor and going on a fishing expedition. Call your congressman and as him/her to dig up this letter and co-sign it.

Jenny Beth's CALL TO ACTION for the week. Go to the Teapartypatriots.org website for links for all the below action items

<https://www.teapartypatriots.org/>

There are three priority actions we are asking all to take this week. This is one of those calls to action that could change the course of the country, and we don't ask them lightly. Make sure to visit our Kavanaugh hub page for more ways to get involved.

There are three priority RED ALERT actions that we are asking you to take, for the sake of the Supreme Court, but also for the sake of our Constitution and our country.

Tea Party Patriot National Call of September 30, 2018

1. Call the Capitol Switchboard at 202.224.3121 and ask to be transferred to your Senators' offices and tell them they MUST vote to confirm Brett Kavanaugh. Tell them that if they don't confirm Brett Kavanaugh, then they are confirming the politics of smear and character assassination. More talking points can be found below and on [our Kavanaugh hub page](#).

2. **Sign up to Get Out The Vote using our texting system**. It is super easy, and you just text from your smart phone. Holding the House and the Senate is more important than ever now that the Democrats are willing to destroy an innocent man and blow up the Supreme Court confirmation process just to retain their power. They have even started whispering that they will impeach Brett Kavanaugh, should he be confirmed, if they take the House in November. Most of us easily send hundreds of texts in our personal lives every week. Can you spend a few minutes a day **sending some text messages** to key voters in areas that are critical to keep this November?

3. COME TO D.C. FOR A RALLY ON THURSDAY

Concerned Women for America Rally

What: Rally for Judge Kavanaugh

Where: At the park behind the Russell Senate Office Building on Capitol Hill

Date: Thursday, September 27, 2018

Time: 8:30am

At Tea Party Patriots Citizens Fund, we are 100% fired up for this must-win election season, and know you are, too! To help you engage directly in the races that matter most to you, we are launching a new peer-to-peer texting system. At this point, texting voters is a technique used almost exclusively by liberal organizations; we are, in fact, one of the only conservative organizations ready to launch a GOTV texting app. If you signed up to volunteer, watch your inbox for individual emails with more details.

If you did not sign up to volunteer, fill out this form to do so.

Please join us THIS WEDNESDAY on Capitol Hill for FreedomWorks' Rally for the Republic. Jenny Beth Martin will be a featured speaker, along with Reps. Mark Meadows and Jim Jordan and Senator Rand Paul. This is our chance to take a firm stand for Jim Jordan to be the next Speaker of the House, and to show our support for Brett Kavanaugh. [RSVP if you can join us.](#)

Finally, if you have not done so already, **please take a moment to sign our petition on viewpoint discrimination**. Help us send a message to Congress that we believe too much power in the hands of giant media conglomerates is not in our nation's best interest. We will be sending this petition to Congress by the end of the month, so please be sure to sign it today.

That's all for this week.
